Dear Athlete,

World Masters Athletics Outdoor Championship, Daegu August 22nd- September 3rd

We will be taking Three therapists to Daegu, all of whom will be/have been at the British Outdoor Champs at Derby in September or Lee Valley in February. They are all fully insured and have incredible experience in treating masters' athletes. The 'rolling fund' for the overseas champs is boosted by the £20 per treatment charged at the indoor/outdoor British Champs. **PLEASE NOTE BRITISH CHAMPS ARE AFTER WORLDS THIS YEAR SO SIGNING UP IN PERSON WILL NOT BE POSSIBLE!!!**

The team will usually work from approx. 9.00 am through to approx. 6.00 pm, with a lunch break. They will do their utmost to accommodate athletes at times outside the norm once the timetable for Daegu is posted. The team will be available from the first day of competition: Saturday 22nd August.

The cost for Daegu is **£50**, which we say is non-refundable. However, we have always been very flexible and, if you are unable to travel and contact me – preferably prior to the start of the competition – then we will refund your money. This will entitle you to a maximum of **three** treatments, ie chiropractic/massage/physio. This still works out at less than £17 per treatment. If further treatments are required, the charge will be £30 per treatment. Genuine, acute injuries will always take precedent over someone just wanting a pre or post-race massage. As for all previous competitions, the team will always treat an emergency. If you signed up for Torun and did not use ANY treatments, then the cost for Daegu will be reduced to £35. There is no so called 'carryover' of treatments as it is too onerous to administer. We have recognised that some athletes prefer to pay '*as and when*' and, if capacity allows and is not detrimental to those who have already pre-registered, the team will treat GB & NI and Irish 'walk-ins', the cost of which will be **£30 per treatment or 60,000 KRW**.

It would be appreciated if you could please pay direct to the bank account. The bank details remain the same(see top of letter). Even if you have these, you still need to message me with your name, age group and events so I can add you to the medical list and treatment sheets. Closing date is:

SUNDAY 26 JULY 2026

NB: you still have to arrange your own health insurance cover

It would really help me with the organising if you could please sign up ASAP.

I hope the majority of you will support British Masters' Medical Services (completely separate from the BMAF), as it is non-profit making, run by athletes for athletes. All monies collected supports the medical team – they are all volunteers – in getting to the competition. Their accommodation and flights are covered and, should we have enough in the account, then they may receive some allowance towards food costs. Our ethos has always been to keep the cost affordable for the majority. **PLEASE SHARE THIS LETTER WITH OTHER ATHLETES THAT MAY NOT HAVE SEEN IT.**

Many thanks,

Andreas Livadiotis & Nicola Nicol
