

BMAF Road Race Report for the AGM.

We have set up a Road Race service that requires a limited amount of volunteer help to promote BMAF Road Race Championships although marketing to all those over 35 years of age is still a concern which we are attempting to address.

All the Championships so far this year have been a success.

Our policy of spreading Championships across the UK has been realised for another year with: -

1. The 10k promoted by Falkirk Victoria Harriers in Grangemouth in April.
2. The 1-mile Champs promoted on the outskirts of Edinburgh on the first Sunday in June.
3. The Trail Champs in Gravesend near London on the last Sunday in June.
4. The Folkestone Half Marathon in Kent on the 24th September, and
5. The Marathon Championships in Chester on the 8th October.

On the day of the AGM we would have witnessed the British Masters Road Relays on Sunday 19th November 2023. Mallory Park Leicester. A new date at a new venue became a necessity due to ongoing difficulties in promoting in Sutton Park Birmingham.

We have two further events after the AGM.

The British Masters 5k Battersea Park Sunday 3rd December 2023.

The British Masters 10 Mile Road Championships 30th December 2023 Buntingford.

Both have full fields, and both are now sold out.

Road and Trail Championships for 2024

1. 10k Chichester Goodwood 4th February. Entries are open.
2. 1 Mile and supporting events, Edinburgh, June date to be finalised.
3. Trail ND 30k Cyclo Park Gravesend 30th June.
4. Half Marathon Dumfries 15th or the 22nd September.
5. The Marathon will be repeat of this year in Chester.
6. 5k Pending based on the success of this year's event.
7. 10 mile to be evaluated in December after this year's 10 mile.
