

Road Race Secretary's Report for 2023/2024.

As your Road Race Sec since 2011 my aim has always been to spread BMAF Championships across the United Kingdom.

From Margate in Kent , to Tenby in Wales ,to Dorset ,to the Isle of Man, to the Midlands ,to Newcastle and to Dumfries in Scotland.

2023/2024 was no different and the aim is to ensure 2025 is the same.

This year has been a total success and I am confident next year will be even better.

However, after 13 years loyal service as a volunteer it must be time for me to step down.

Can someone come forward so I can induct them to replace me.

Best wishes.

Walter Hill

BMAF Road Race Sec.
