BMAF - Non Stadia - Cross-Country

I took over the vacant XC secretary role inn March 2026 - My first organised event was the BMAF - XC Team Relays on Saturday 24th October 2026, hosted by OCAC This saw 277 athletes entered for 61 Teams. This was a new venue and provided a good building block moving forward. I will also oversee and attend the B&I Masters International XC in Dubiln on 14th November 2026 as the BMAF representative. A venue is still to be sought for the BMAF XC championships in 2027.

Steve Cairns
Cross-Country Secretary.
