Meeting Manager / Referee Statement.

TRACK: I certify that these performances are in accordance with the rules of UKA/WA/WMA. The times recorded on the form are those indicated by a fully approved and aligned Automatic Timing System or by an agreed time decided by the Chief timekeeper from the times of three watches.

In Hurdle races the height and the specification complied with UKA/WA/WMA rules. For outdoor events wind speeds were indicated by an approved device #.

FIELD: The equipment used in this event complied with all the rules set by UKA/WA/WMA. The implements used by the competitors also fully complied with UKA/WA/WMA implement regulations. All measurements were made using approved measuring equipment.

Name of Referee		Signature	
Chief Photo finish		Signature	
Chief Time Keeper		Signature	

IAAF rule 260.18 states for those events where a wind speed is required to be taken. An average of 2.0 m/s or less is required for Record purposes from those events, in this event the average wind speed was.....m/s.

Please send a Zero Control (Gun test), and Automatic timing picture or timing sheets for track events. Field events require a copy of the Throws or Jumps card, with a wind speed card for Long Jump.
